RESUME for LARRY SEIBERT:

Born June 21, 1947, in Los Angeles, California. Worked at MGM and Desilu, Culver City, California. Producer for Don Stern Productions, Inc., Hollywood, California, 1976-1986. Formed InFilms & Design 1977 to present.

Over 50 years in the film business in all aspects of production, including: Production, Editing, all technical positions on a film crew. Former member I.A.T.S.E. Local #62 & #728, includes all technical positions on a stage crew. President of InFilms & Design producing corporate films, commercials, animation and graphic design.

My capacities have required that I work closely with both client and crew, which in many instances has been as few as 2 and up to as many as 35 or 40 or more, small budgets to large. I interact well with everyone and work toward the common goal of the successful completion of the project. I have an unwavering concern for quality and a strong attention to detail. I have always been known for being on time and budget. I have never failed to deliver the project. I am very much a team player.

I have been a board member and past President of the Grand Junction Area Film Commission, a non-profit organization designed to attract film production to the Grand Valley. You may contact the current Director, Ms. Lana Turrou at 19702450562 if you have questions. (Board Members Included: Karen Berryman, Brook Blaney, Nancy Ellyson, Gay Hammer, Clyde Jorgenson, Wendel McConnell, Jane Prinster, Hank Schoch, Rick Schroder, Sylvia Spangler, Lana Turrou, Greg Walcher).
